

STORYTELLER™S NIGHTMARE

TOWNSFOLK

	Balloonist	Each night, you learn a player of a different character type than last night. [+0 or +1 Outsider]
	General	Each night, you learn which alignment the Storyteller believes is winning: good, evil, or neither.
	Innkeeper	Each night*, choose 2 players: they can't die tonight, but 1 is drunk until dusk.
	Gossip	Each day, you may make a public statement. Tonight, if it was true, a player dies.
	Fisherman	Once per game, during the day, visit the Storyteller for some advice to help your team win.
	Chambermaid	Each night, choose 2 alive players (not yourself): you learn how many woke tonight due to their ability.
	Amnesiac	You do not know what your ability is. Each day, privately guess what it is: you learn how accurate you are.
	Bounty Hunter	You start knowing 1 evil player. If the player you know dies, you learn another evil player tonight. [1 Townsfolk is evil]
	Pixie	You start knowing 1 in-play Townsfolk. If you were mad that you were this character, you gain their ability when they die.
	Poppy Grower	Minions & Demons do not know each other. If you die, they learn who each other are that night.
	Mathematician	Each night, you learn how many players' abilities worked abnormally (since dawn) due to another character's ability.
	Savant	Each day, you may visit the Storyteller to learn 2 things in private: 1 is true & 1 is false.
	Atheist	The Storyteller can break the game rules, and if executed, good wins, even if you are dead. [No evil characters]

OUTSIDERS

	Mutant	If you are "mad" about being an Outsider, you might be executed.
	Lunatic	You think you are a Demon, but you are not. The Demon knows who you are & who you choose at night.
	Plague Doctor	When you die, the Storyteller gains a Minion ability.
	Hermit	You have all Outsider abilities. [-0 or -1 Outsider]

MINIONS

	Mezepheles	You start knowing a secret word. The 1st good player to say this word becomes evil that night.
	Cerenovus	Each night, choose a player & a good character: they are "mad" they are this character tomorrow, or might be executed.
	Pit-Hag	Each night*, choose a player & a character they become (if not in play). If a Demon is made, deaths tonight are arbitrary.
	Widow	On your 1st night, look at the Grimoire & choose a player: they are poisoned. 1 good player knows a Widow is in play.

DEMONS

	Lil' Monsta	Each night, Minions choose who babysits Lil' Monsta & "is the Demon". Each night*, a player might die. [+1 Minion]
	Leviathan	If more than 1 good player is executed, evil wins. All players know you are in play. After day 5, evil wins.
	Vortex	Each night*, choose a player: they die. Townsfolk abilities yield false info. Each day, if no-one is executed, evil wins.
	Yaggababble	You start knowing a secret phrase. For each time you said it publicly today, a player might die.

STORYTELLER™ NIGHT...

JINXES

The Chambermaid learns if the Mathematician wakes tonight or not, even though the Chambermaid wakes first.

The Mathematician learns if the Lunatic attacks a different player(s) than the real Demon attacked.

If the Poppy Grower is in play, the Widow does not see the Grimoire until the Poppy Grower dies.

If the Poppy Grower is in play, Minions don't wake together. They are woken one by one, until one of them chooses to take the Lil' Monsta token.

If the Leviathan is in play, the Innkeeper-protected-players are safe from all evil abilities.

After day 5, the Pit-Hag cannot choose Leviathan.
