

TOWNSFOLK

Chef

You start knowing how many pairs of evil players there are.

Clockmaker

You start knowing how many steps from the Demon to its nearest Minion.

Engineer

Once per game, at night, choose which Minions or which Demon is in play.

Fool

The 1st time you die, you don't.

Grandmother

You start knowing a good player & their character. If the Demon kills them, you die too.

Investigator

You start knowing that 1 of 2 players is a particular Minion.

Juggler

On your 1st day, publicly guess up to 5 players' characters. That night, you learn how many you got correct.

Knight

You start knowing 2 players that are not the Demon.

Librarian

You start knowing that 1 of 2 players is a particular Outsider. (Or that zero are in play.)

Noble

You start knowing 3 players, 1 and only 1 of which is evil.

Shugenja

You start knowing if your closest evil player is clockwise or anti-clockwise. If equidistant, this info is arbitrary.

Steward

You start knowing 1 good player.

Virgin

The 1st time you are nominated, if the nominator is a Townsfolk, they are executed immediately.

OUTSIDERS

Drunk

You do not know you are the Drunk. You think you are a Townsfolk character, but you are not.

Heretic

Whoever wins, loses & whoever loses, wins, even if you are dead.

Lunatic

You think you are a Demon, but you are not. The Demon knows who you are & who you choose at night.

Recluse

You might register as evil & as a Minion or Demon, even if dead.

MINIONS

Goblin

If you publicly claim to be the Goblin when nominated & are executed that day, your team wins.

Scarlet Woman

If there are 5 or more players alive & the Demon dies, you become the Demon. (Travellers don't count.)

Marionette

You think you are a good character, but you are not. The Demon knows who you are. **[You neighbor the Demon]**

Summoner

You get 3 bluffs. On the 3rd night, choose a player: they become an evil Demon of your choice. **[No Demon]**

DEMONS

Legion

Each night*, a player might die. Executions fail if only evil voted. You register as a Minion too. **[Most players are Legion]**

No Dashii

Each night*, choose a player: they die. Your 2 Townsfolk neighbors are poisoned.

Lleech

Each night*, choose a player: they die. You start by choosing a player: they are poisoned. You die if & only if they are dead.

Vortex

Each night*, choose a player: they die. Townsfolk abilities yield false info. Each day, if no-one is executed, evil wins.

FIRST NIGHT

Djinn

Use the Djinn's special rule. All players know what it is.

Only 1 jinxed character can be in play.

If there would be a Marionette in play, they enter play after the Demon & must start as their neighbor.

The Summoner registers as the Demon to the Clockmaker.

If the living Summoner is removed from play, the Storyteller has the Summoner ability.

If Legion is created, all evil players become Legion. If Legion is in play, the Engineer starts knowing this but has no ability.

If Legion is summoned, all evil players become Legion.
